

Cincinnati Splash Water Polo

Ages 5 to 11 Years Old

Hosted by the Ohio Squirrels Water Polo Club

The Ohio Squirrels WPC is happy to announce 3 dates coming up this summer where you and your child (ages 5-11) can be a part of an Introductory Water Polo Session at Evendale Recreation Center.

This is for kids that want to learn the introductory fundamentals of water polo, water safety and how to be a good team player. Equipment used will be kid's size and size 4 water polo balls. We will have real water polo caps, inflatable goals and noodles available for those that need assistance. For those in need of a noodle, we require their parent to be in the water with them. This is where the experience becomes very special for the kids!

Dates:

Saturday, June 15 - 10am - 11am

Saturday, July 27 - 10am - 11am

Please arrive by 945am for meet and greet
